

# School Enrollment Breaks All Former Records Locally

School Room Space Reported At Premium. Several New Teachers On Duty

Principal Frank O. Hobson states that the public schools of Belle Glade got off to an auspicious start for the new school year, on Tuesday, when the elementary school children were enrolled.

Enrollment figures at this period are a new record, with 370 in the Senior and Junior High School grades, and 705 in the elementary grades, total of 740. There are a number of children who are not yet in school, owing to the health period barrier, and Mr. Hobson is expecting when full enrollment is completed, that the school listing will exceed the 800 mark, a new record.

Mr. Hobson states that children yet to come in are to be registered at once at the school office, and then wait for the two week health period before entering into class work.

M. K. Bishop, who hails from Kentucky, the new science teacher, has arrived in the city with his family, but will not assume school duties until the health period is expired. The new rule applies to Mrs. Mary Granger, owing to the illness of her husband and self, is to report a bit later for duty.

The lawn of the school is in excellent and beautiful condition in many years, in fact said to be the best; and nearest in the county school system. Marked improvements in sanitary conditions are noted.

Howard Payne, the band master, states that he will have a group of 40 in the band, and that most all the new instruments have arrived except the bassoon and the tympanum drum.

Enrollments provided for the Board were reported as follows: South Bay, 121; Central Point, 132; Pahokee, 117.

Large enrollments are reported in both of Belle Glade and in Pahokee. The enrollment in the schools, both in advance of last year. To care for the elementary school in Belle Glade, double sessions will be in order.

# School Safety Zone To Be Established On West Avenue E

On a petition signed by members of the Citizens Civic League, the City Commission decided that a school zone for motor traffic should be established on West Avenue E between 12th and 10th street, and also on South 5th Street.

Complaint was made that fast driving on these streets was endangering the children who must traverse these streets to reach the 5th street school house.

Owing to confusion over the lines on several 5th street, NW, the Commission decided that it would take up a survey to establish the zone and grade lines as present civil engineer surveys, do not agree. The litigants involved are Mike, the shoe maker, Frank Fessenden and Harry Johnson.

Rev. Baughman, of the Assembly of God Church, was given a six month permit to move his tent from near Osceola Camp to a site on land owned by the People's on the Toonerville road.

The City at the request of the Chamber of Commerce agreed to take down and store the present discreditable Chamber membership sign now standing near the Bailey Realty office.

Sam Evans was denied the right to operate a beer and wine stand because it was in a school territory. W. S. Poole, was an unsuccessful petitioner for package beer permit at his store opposite the entrance Osceola camp, because it was out of zone.

Masonic Lodge Ladies, No. 20, Free and Accepted Masons, will hold a regular communion service on Tuesday night, when degree work is to be exemplified. Some plans for the winter work will also be up for consideration, so a large turnout of the membership is requested by the Master.

# Annual Roundup For Scouts On In Glades Region

Call Made For Assistance And Support Of Southern Great American Boy Project

Calling on all residents of Belle Glade to participate in the annual "Round-Up" of the Boy Scouts of America, H. M. Barwood, District Chairman declared that "we in Belle Glade must measure up to the records being set up throughout the rest of the county."

A nation-wide event, the Round-Up is designed to "enable us to contribute a better America by going forward in our service to boyhood, to grow as we have had the habit of doing through the years," declared Mr. Barwood.

He pointed out that membership in the Gulf Stream Council had reached an all-time high of 1,500 members last year, and that it is hoped this mark will be surpassed during the Round-Up, which continues to the end of the year.

Since 1919, when Scouting (Continued on page 2)

# Securing Colored Truant Officer For Belle Glade Fails

The County Board of Public Instruction held a meeting on Tuesday during the session. Mrs. Ruth Woodworth, of Great Salvator, Glades members, endeavored to secure the consent of the board to provide a colored truant officer for the Glades area, for the colored schools, but this failed to materialize for the present.

Mr. Woodworth stated that all white children were largely in school, but not all colored children of school age were in school. This condition exists during the good bean picking period, especially, for a dollar to a negro child meant more than schooling.

The Board did appropriate \$5,000 for the fitting up of an athletic dressing room for the Belle Glade High School.

Miss Valerie Crowley, a Belle Glade teacher, asked for leave of absence, that she might travel the coming year on educational purposes. Supt. Watkins objected to this grant, as being a possible detrimental precedent. Miss Crowley was informed if she desired she could take the leave on her own time, and would be considered for re-employment next year.

Elmer Cochran, former assistant principal of the Glades school, was asked to leave of absence from duty, owing to illness of his mother in Kentucky. Herbert D. Lovitt was named as his successor.

New teachers named for the Glades were: Mrs. Dorothy Crowley, Belle Glade; Mrs. E. Prevatt and Mrs. Marianna Bishop, Lake Harbor and Prof. Kennedy, South Bay.

# Veterans News From Your VA

Veterans hereafter must apply for training and education eligibility certificates at least 30 days before they plan to start school. The VA has revised its registration and enrollment procedure for veterans and the change is supposed to speed up subsistence payments and otherwise eliminate delays.

Actually, the certificate of eligibility itself has been changed, consolidating four separate forms. On application for a certificate of eligibility, the veteran's length of service in the armed forces, will make a determination of actual education or training credit. The application should be mailed to the Veterans Administration Regional Office, Box 1791, Miami, Florida.

Pharmaceutical Associations in 46 states and the District of Columbia have renewed contracts with the Federal Government. (Continued on page 2)

# Fin Catchers Off This Week

Artisans of the placatorial game report that fishing on the big lake has not been so good as it was last week. The water is a little lower and the fish are not so fat. The water in the lake shows some slight rise, which should be a good sign for the fish.

Camp managers report that there is a good chance for a late fall fishing period, and that season for tourist fishing should be a good one this winter.

# School Bus Drivers Hold Responsible Safety Position

Thirty-One Buses Transport 3900 Children to School Each Day

Members of the school faculties were not the only School Board employees, who had to have a session in shop work, as the school janitors, cafeteria operators and bus drivers, had their own periods of schooling for the perfection of their work.

From a safety of school bus drivers, it is likely the bus driver has more responsibility on his shoulders than any other employee, because he must be sure that he is loaded and unloaded at their destination, as well as safely pilot over the highways which the school buses traverse.

It is the duty of the School Board primarily to see that safe buses are provided before turning them over to the drivers for prescribed duties, and from time to time inspections and repairs are made.

The Palm Beach County Board has given Rogers Atkins the duty of superintendent of school bus operation daily, in the 26 white and 5 negro buses. Three new routes have been established this year for the added patronage. The county has 3,000 children in Palm Beach county which get school transportation daily.

Adkins gives the following obligatory rules which drivers must observe at homes or loading and unloading: Stop on the highway; remain at least 150 feet back of any truck and he must keep the "stop" sign displayed until the school bus has safely crossed the road.

Adkins gives the following obligatory rules which drivers must observe at homes or loading and unloading: Stop on the highway; remain at least 150 feet back of any truck and he must keep the "stop" sign displayed until the school bus has safely crossed the road.

# Labor Day Gathering At Boynton Brought Many Thousands of Visitors

Political Rally To Be Held Monday Night

Feeling that more interest should be encouraged in our city election next Tuesday, the Belle Glade Civic Improvement League is sponsoring a political rally to be held Monday night at 8 o'clock in the American Legion Hall here.

All candidates for city commission are invited and will be expected to say a few words in behalf of their candidacy. The public is urged to attend and take this opportunity to hear their city commissioners, and to let them know what is wanted.

Source Of Bad Odor Traced To Canal Waters

City Building Inspector and Sanitary Policeman N. P. Willis pointed out the cause of the bad smell during August, when the local city health department, after work being done in almost unbroken rain in the way for September.

As Sanitary Policeman he had been quite busy and has ferreted out a number of corrections that have been ordered. Residents of Northmoor complained that at night the breezes brought in almost unbearable odors.

Tracing this down he found the source in the canal on the east side of the Pahokee highway, due to rotten vegetation. He immediately took steps for the correction of the condition.

The Rader and Mulach agents have taken out permits for the reclamation of some of their properties, both in repair and similar steps, to meet the local city code requirements. The city market building on West Avenue A, has been vacated temporarily by the city, until new concrete floors can be placed, and other repairs made.

During the summer new equipment was secured for the Ram including a new set of uniforms, made out of water proof materials, so that soiling will not be so harmful. The boys would about the new uniforms.

While Coach Cooke has not filled his schedule of games yet, the important game of the season, that with the rival Pahokee Blue Devils, will be played on Tuesday night, November 24th.

Coach Alley, of the Blue Devils, has a squad of around 25 players under training, many of them "green timber." He has announced that the Blue Devils schedule will be as follows:

At home games: September 24, St. Theresa of Miami; October 1, Lake Wales; October 8, South Broward of Dania; November 5, Ponce deLeon of Miami; November 18, St. Mary's of Palm Beach; November 24, Belle Glade.

Away games: October 1, Gesu at Miami; October 15, Delray at Palm Beach; November 12, Ponce deLeon at Ponce deLeon.

Coach Cooke, has as yet been unable to fill his full schedule of games for the 1948 season, but releases those which contracts are held.

Ask To Transfer Its Franchise To Tamiami

Harry and Timothy Goodall, Tampa transporters, holding state licenses from the Railway Commission, have filed a petition, asking for the transfer of its route certificate to the Tamiami Trailways, which serves the Glades out of Miami and Jacksonville.

(Continued on page 2)

# "Red Wings" New Colored Team Will Replace Famous "All Stars"

John M. Murphy, who for many years has been the manager of the famed Belle Glade "All Stars" a colored baseball aggregation, announces that he has concluded organizing an entirely new team, to be known as the Florida Red Wings, which will provide diamond entertainment for the Glades during the coming season.

The opening of the season has been set for October 19th, at Osceola field, when the President John Dewey team will be the opening attraction, in an afternoon game, at 3:30 o'clock. Murphy states that he can train a team composed of his new team, but the best ever assembled under his management.

# Galaxy Of Top Notch Officers Holders Provided Oratory For The Occasion

The weatherman was in full accord with the spirit of the Second Annual County wide outing at Boynton Beach, on Labor Day, sponsored by the Palm Beach Resource Board, for provided perfect weather for the occasion.

A better organized affair, which was one of huge proportions and a beaus of labor, has never been held in Palm Beach county, and was only made possible by the full co-operation of the various officers, committees and workers, and everything clicked right to the minute schedule.

The barbecue was held at the Boynton Beach Market Grounds and there adequate arrangements had been made for the handling the massive crowd which gathered throughout the day, the attendance being given out at 2 o'clock at \$4.50.

Soon after ten o'clock the crowd began to gather and continued to come for hours and hours, and when they all came from, and when the rush would cease.

Local residents provided by the local team.

# Delray Wipes Out Softball Team From Belle Glade

A picked team of softball players from the Belle Glade City league teams went to Delray Beach, on Labor Day, and played a team representing that town. Our boys came home with a defeat by the score of 17 to 11.

Horace Harris, playing third base for Belle Glade, was badly hurt in the game, the injury requiring a number of stitches to close.

Will Continue Meetings

The session of the Everglades Presbyterian Church, has decided to continue its Fellowship program, prior to the regular Thursday evening prayer service. These have been held at the home of the church, and have been largely attended and proved most enjoyable affairs.

The session also will carry on "visual education" program by means of movie films, once a month. On Thursday night, September 8 the film "The Call of the Wild" will be presented, the opening number of the series.

Lumber Residue Taken By Mayor M. D. Lloyd

Many people have wondered what became of the lumber which came from the razed building of the Glades. Mayor Lloyd was given the lumber for providing the razing labor. There was some mighty fine lumber that pile, and some day there may be one or two more residences over in the Mayor's village.

# OBSERVATION and Comment

By John M. Gladhill

While our present city council got off in rather smooth water last September, it was not long before by mutual consent, it was made the most troubled of bodies, and most city business has been enacted with a unified agreement.

The Commission, for several months worked short members as a result of the resignation of City Commissioner Scarborough. The new elected council did start out as a re-trenchment one, experience soon showed that the new council was not to operate the city with the tightness of the elastic band around the money pile some.

Many improvements of a physical nature have been accomplished during the year, especially in the matter of drainage and repair and building of new streets. The entire force of city employees in the police, fire and water works departments, were given advancement in salaries.

 tracts with the VA to provide prescription service to veterans who have disabilities resulting from their out of active duty in the armed forces.  
 Under the renewed contracts, a physician authorized by the VA to treat veterans with service-connected disabilities, can render another added service by giving the veteran prescriptions which can be filled locally. VA has made it quite clear that this applies only to veterans with disabilities resulting from service, and the prescription must be for a medical condition.

Further information on this subject may be secured by writing to 712 Congress Building, West Palm Beach, Fla.  
**Foreign Jobs Available**  
 If you are a skilled construction worker, then Uncle Sam may be able to use you in varied projects now under way overseas, and in Alaska. Congress appropriated \$7-million dollars for overseas construction work, with \$4-million dollars earmarked for Alaska. Veterans, skilled in various trades and desiring to work in Alaska, should write to the Alaskan Constructors, P. O. Box 1849, Seattle, Washington. Be sure and give plenty of details about yourself and experience. Now if you're interested in going back to the Pacific, say for instance, on Okinawa, Guam, Hawaii, or the Marianas, just get in touch with the U. S. Engineers, Western Ocean Division, Sausalito, California. In addition, you might find a lot about their payroll, too.

**News Reviewers**  
 D. J. R. of Pahokee wants to

know about mustering out pay. He was one among the many discharged before the mustering out payment act. Veterans who never received their mustering out pay, should make application with their service office, soon.  
 This is an important benefit and payments run from \$100 to \$300, depending on length of type of service. Check your discharge or separation papers. Less than 60 days service with honorable service was worth \$100. More than 60 days of service, says \$200. Overseas duty in the amount of \$300. Generally speaking, almost everybody got their mustering out pay at time of discharge in the amount of \$100 payments. However, many veterans discharged in 1942 and even thru 1944 never received their MOP. Check into this by contacting the VA or your local service office.  
 If you have a question or want an answer to your specific problem as a veteran, contact or write to the Veterans News Review, 712 Congress Building, West Palm Beach, Florida.

**ANNUAL ROUND-UP**  
 Continued from page 1  
 was first established in the United States, 14,710,853 persons have been members of the Boy Scouts of America, he stated. Men from all walks of life, he continued, have devoted themselves to developing Scouting into a movement, second to none, in the country as a character building and citizenship training organization for young men.  
 Some of these men, he explained, have dealt with admin-

istrative and camp properties and finances, some establishing units and serving institutions that use the Scout program, some have been training leaders, conducting and promoting rallies, civic service, advancement, and so forth.

These are our Council and District Scouters," said Mr. Earwood. A vast number of other volunteers work in personal contact with the boys—training them and inspiring them in Scouting. To think of this fine service, to watch these men, to add up their achievements is a thrilling story and a real inspiration.

However, Mr. Earwood mentioned that there is a great need for more volunteer leaders and sponsoring institutions to enable more boys and young men of Belle Glade to have the fun and adventure of Scouting. He added that the present Round-Up is designed to spot-light these needs, so that every boy within range, who wants to be a Scout, may be able to realize this ambition.

In line with reaching this goal, the Belle Glade Council has planned the following:

September 18th—Dinner and Frolic at Lake Osborne Camp

October 3rd—Annual Meeting, West Palm Beach.

October 30th—Sea Scout Cruise on the Atlantic to Miami.

**Stuart Sailfishers**  
 Will Pennant Race

The six team league composed of teams from Stuart, Palm Beach, Lake Worth, Boynton, Pompano and Clewiston, which came to a close last Sunday.

The Stuart Sailfishers were the league, but dropped out this year on account of player shortages and financial backing.

**ROAD DISTRICTS**

## GLORIA THYON IS WED TO C. W. BUCK

The marriage of Mrs. Gloria W. Thyon to Sergeant Charles W. Buck, son of Dr. Wm. J. Buck, is announced by her mother, Mrs. Othell Knight. The ceremony took place at Thomsville, Georgia on September 1st, and the couple left

immediately for San Angelo, Texas where he is now stationed.

## LINDA JEAN EVANS FETED ON BIRTHDAY

Linda Jean Evans, daughter of Mr. and Mrs. W. J. Evans, celebrated her sixth birthday Friday with a party at her home. Refreshments of cake and ice cream were served to Janice Kirckman, Wayne Harrell, Janet Ruth Kirk, Mary Ann Tillery, Susan Clarke, Dan and Roy Hayes, Betty and Sarah Brooks, David Moore, Eddy Whitlock, David Moore, Norma Lee Kirckman, Norma Dixon and Alma Ann McClure.

## WEDGORTH-HAWLS WEDDING VOWS SPOKEN

Miss Peggy Rawls, daughter of Mr. and Mrs. Wm. J. Rawls, became the bride of George H. Wedgorth, son of Mrs. Ruth S. and the late Herman H. Wedgorth, in a ceremony performed by candle light at the Community Methodist Church here Saturday at seven p. m. with the Rev. Jay O. Jameson officiating.

Beautiful baskets of white gladioli, pompons and fern were arranged before the altar, with cathedral candles in branched candelabra on each side against a background of palms.

Miss Mary Eleanor Kidder, organist, played "Per Of My Heart", and accompanied Miss Norma Weeks and the Rev. Leonard Funderwater who sang solos.

The bride, given in marriage by her father, wore a gown of embroidered marquisette, fashioned with fitted bodice with sweetheart neckline, long sleeves pointed at the wrist, and toulant skirt.

The waist was outlined in seed pearls. Her finger-tip veil of illusion was attached to a train of seed pearls, and she carried a bouquet of large white mums centered with an orchid, and showered with satin ribbon and tiny orchids. Her ornaments were a pearl necklace, and a wristwatch which was a gift from the bridegroom.

Matron of honor was Mrs. Chester Comerford who wore a gown of aqua marquisette and carried a bouquet of purple asters with aqua ribbons. The brides maid were identical gowns, with Miss Caroline Come wearing blue with a rose aster bouquet, Miss Mary Elizabeth Hooker, orchid with pink asters, and Miss Edith Breager, yellow with orchid asters.

Best man was Richard Pike, and ushers were Barnes Smith, Jewel Bass and Barnes Creech. Mrs. Rawls, mother of the bride, wore steel grey with white accessories and an orchid corsage, and Mrs. Wedgorth chose mulberry with gold accessories and a corsage of orchids.

Following the service, a reception was held at the Wedgorth home. Serving were Mrs. R. W. Kidder, Mrs. Dorothy Wright, and Mrs. Gerold McKee, who were assisted by the Misses Barbara Wedgorth and Dorothy Kidder. In charge of the bride book was Mrs. Joe Tom Boynton.

The young couple left that evening for North Carolina where they will spend their honeymoon before returning to East Lansing, Michigan where they are both juniors at Michigan State College.

Among the guests were the bridegroom's maternal grandparents, Mr. and Mrs. C. P. Springer, who will celebrate their fifty-sixth wedding anniversary this fall.

Out of town guests included Mr. and Mrs. Nick Green, Mr. and Mrs. J. A. Collins, and Mrs. Nannie Fuller all of Miami; Mr. and Mrs. C. B. Rawls and Robert Christopher of Hollywood; and Mr. and Mrs. Curtis Goodwin and children of Nashville, Tenn.

## NEWS VIEWS

By E. D. DOUG

The George Gulliver, the fellow who keeps telling us "what we think", has recently given one of his opinions to the public on a subject of the day - the "odd" fellows who are college students when they graduate in the first of June. At the time, Dr. Gulliver was talking to the students of Colgate University and he said that graduates should "report back" to their colleges "a few things in their report". After producing a paper of "Carrying on" in the best traditions of the Alma Mater, the time-overs diploma would be awarded with the student a name until 25 years after graduation. After the time-overs diploma, the time-overs diploma would be awarded with the student a name until 25 years after graduation. After the time-overs diploma, the time-overs diploma would be awarded with the student a name until 25 years after graduation.

Next Tuesday all registered voters will have a chance to elect a new city council. The city council is the body that governs the city and it is important that we elect the best men for the job. The city council is the body that governs the city and it is important that we elect the best men for the job.

# free proof before you buy

## let us wash a load of your soiled clothes

### in the new Westinghouse Laundromat

Laundromat owners say the Laundromat does more, and does it better, than any automatic washer made. They say it is easier to use... that it washes their clothes sparkling clean... that it saves water and soap... requires no bolting to the floor. Because these advantages are important to you, you owe it to yourself to find out about them before you buy!

ACCEPT THIS FREE OFFER TODAY

Let us wash a load of your soiled clothes, in a Laundromat installed in our store. We'll pick up your soiled clothes, wash them in the Laundromat while you watch. You'll see, with your own eyes, just what the Laundromat will do for you. Accept our offer now. Call us today.

## Bruce Beardsley In Training For Foreign Field Agricultural Worker

Bruce Beardsley, a son of Mr. and Mrs. J. E. Beardsley, of Clewiston, who has a wide acquaintance over the Glades has announced that he has taken up studies in the Presbyterian Church, which will lead to his being appointed to a foreign mission field, as an agricultural director.

Beardsley is a University of Florida man, and has been active in the religious work on the campus. He also has a good foundation of agriculture, as his forebears have been active farmers in the Glades, and he has grown up with intimate acquaintance with dirt farming and cattle.

Beardsley was the speaker at the church services of the Everglades Presbyterian Church, on Sunday night, speaking on the subject "A Challenge to Action", his theme being mostly along the line of the need of missionary workers in the foreign fields.

Rev. J. W. Coleman, Reassigned To Local Church District

Rev. J. W. Coleman, pastor of the Church of God, on S. W. Ave. E. and his wife, have returned from the international convention, recently held in Birmingham, Ala., with more than 15,000 delegates from all over the world and mission fields in attendance.

Rev. Coleman reports this a great convention with wonderful expansion reports of the denomination work.

At this convention the denomination officials made the pastoral appointments for the coming two years, and the Rev. Coleman has been returned to the local church, as well as to serve as Bishop of the so called Okeechobee district.

Rev. Coleman states that he is glad to be returned to the local field, as he has found his work here most pleasant and satisfactory the past two years.

**City Registration Now Near 1100 Mark**

The campaign started by the Lions club and the Chamber of Commerce to increase the city election roll had its good results as shown when figures were compiled at the close of the registration period.

After City Clerk Wallis had cast of a number of people who were dead, others who had removed from the city, and for other causes and then added the new registrants, the totals numbered 1061, 972 white and 109 colored, an increase of 116 new enrollees.

The city election comes on next Tuesday, with the usual hours being observed for getting in the votes. There are six candidates for the City Commissionerships, two present members seeking re-election, each having competition. Junius Harris, who is asking for the unexpected term of George Scarborough, has no opposition. The other men in the race are Harold Rabin, W. W. Weeks, W. L. Collins and Nattie Taylor. May- or Lloyd and A. J. Richmond.

**BIRTH ANNOUNCEMENTS**

Mr. and Mrs. A. G. Anders, Jr., of Hillsborough Plantation are announcing the birth of a son, Albert Gardner Anders III, on September 2nd at the Everglades Memorial Hospital in Pahokee. Mrs. Anders is the former Carolyn Hamilton.

Mr. and George Appleby announce the birth of a son, David Patrick, on August 20th in Springfield, Illinois.

A daughter, Mary Goree, was born to Mr. and Mrs. J. Tom Watson, Jr., on September 8th at Tampa Municipal Hospital in Tampa.

**BEA FLEMING BRIDE** OF ROBERT BURNS

Mrs. Marion B. Fleming of this city, and C. Robert Burns of West Palm Beach were married in St. Simons Island, Georgia Tuesday morning. The ceremony was performed in the Christ Church by the Rev. L. Gillespie, and the couple were accompanied by Mr. and Mrs. George Shayton of West Palm Beach.

Mr. Burns is city attorney and member of the law firm of Alley, Drew, Burns and Middleton in West Palm Beach where they will make their home.

still have another year under their term.

The pre-election campaign has been very quiet, with none of the animated discussions and incidents which prevailed last September.

**WSGS CONDUCTS PRAYER DISCUSSION**

The Woman's Society of Christian Service met Wednesday afternoon at the Methodist Church. The worship hour was opened by singing hymns, and Mrs. M. M. Gledhill directed the prayers of Jesus from the book "The Great Prayers of the Bible".

Mrs. A. L. White then led an open discussion on prayer in which all took part.

The next meeting will be September 22nd with the program on the "World Council of Churches".

**RAMS WILL BE**

(Continued From Page 11)

The Rams will play two new teams, one at home and one away, namely Panama City, there, and San Ferdinando, here at Memorial Field.

The schedule is as follows: September 24, Panama City at Panama City; October 1, Vero Beach at Vero Beach; October 8, San Ferdinando at Belle Glade; October 15, Ft. Pierce at Belle Glade; October 22 and 29 are open dates. November 5, South Broward at Dania at Belle Glade; November 12, Lake Worth; November 18 Delay at Belle Glade; November 24 Pahokee at Pahokee.

**BENEFIT BURLESQUE**

speaker giving a play by play, as nearly as possible, description of the game but keeping up with the antics was more than a one-man job.

The manager of the Beta's Mrs. Ed Lively, ran the ten "men" team on to the field, where, in true big league fashion, the numbers on their backs were displayed but what number? B-1; U-2, 666, 474, and K. O. were some which caused loud comments from the crowd.

Emmett Roberts player-manager for the Lions brought his ten "girls" forward in the new look, old, mid-victorian look and just plain sloppy look.

The game, among other things was completely unorthodox such as in the first inning when "Sofie" Sewell came to bat and called time while "she" opened "her" gladstone shoulder bag to produce a ten inch mirror and powder puff and proceeded to "put her face on" then and there and when pitcher Emma Roberts tried to hide a rotten orange to be used in place of the ball, the Beta's saw him rolled his intentions, rushed at and flattened him right out on the mound—they brought

**Hello Fellow Citizens . . . .**

Remember next Tuesday, September 14th is the day you will select the men who, with the hold over commissioners, will operate your city the coming year and the years.

I have many past experiences gained while employed three and one half year by the city and as a builder and business man, qualifies me to hold the important office of City Commissioner.

I here state, I am not for a city manager, but stand for all five city commissioners operating our city government, working together for the good of all citizens and property owners.

I am the Independent Candidate and I am not tied in with any group or clique, therefore, I can use my best judgement in the best interest of all citizens at all times.

On the above stated principles I solicit your continued help and your vote for me on September 14th.

**W. L. Collins**

(Candidate in Group One)

**RE-ELECT**

**W. W. (Billy) WEEKS**

**As Your**

**CITY COMMISSIONER FROM GROUP ONE**

Keep a qualified and successful business man, who has proven his capability for administration in city affairs, in office..

"Billy" always has time to hear the complaints (if any) and suggestions of the voters of Belle Glade.

Let's keep a man who is familiar with city affairs in office for another term to take advantage of lessons learned.

home the orange". The fleet footed Betas out ran the skirt hampered Lions at every turn and caused "Cuddles" Cunningham to comment in between gasps, "Those girls can run!" On and on it went for the five full innings.

The girls showed an original and entirely confusing style of softball but what with Chas. Goodier and Raymond Mock armed with everything short of the atom bomb serving as umpires and having their own ideas as to which team would be the winner, there was little argument by the "Lady Lions". They weren't in complete accord with the decision at times but one look down the double-barrel shot gun held by th umpire and there was no further argument, no sir-e-e-e.

The final score was 10 to 9 in favor of the Beta Sigma Phi team and everybody was happy?

**No Double Talk—Facts—Experience**

1. — We don't need a city manager at PRESENT TIME.

1a. — We need five agreeable city commissioners. No combies or personal prejudice.

2. — The commission should appoint — One commissioner Police Commissioner. One commissioner Mayor. One commissioner Municipal Judge.

2a. — Not one man the whole works.

3. — We need a good strong efficient police department that will police the City.

3a. — Not a skeleton force and an over-worked chief.

4. — We need increased revenue without further taxing the already heavily burdened taxpayer.

4a. — To build more streets, sidewalks and more public improvements. Better wages for the City employees.

5. — If you believe in this platform as I do after being one of your City Commissioners for the past two years, re-elect me by an overwhelming majority, and I will insist that the balance of the Commissioners help carry out this platform as this will be the platform of the majority of the people.

one. Co-operation of the proper kind means progress.  
 The meetings held last week by the cattle and corn growers brought about a better understanding on both sides of questions that have come up the past spring season. The cattlemen got together in a co-operative organization, which should bring a big development for the region. Corn growers also will have a better program of planting, harvesting and processing.

At least a thousand youths of Glades returned to school today on Tuesday of this week, ready for the duties of the year. The facilities will have a number of new faces. Teachers attending summer schools and the work shop period come better prepared for their work as instructors. The yellow buses again will become accustomed sights on the scenery. Better not pass the buses when they are stopped to load or unload the children, or you are likely to be paying a costly fine. Children are also cautioned to use some sense on their own part when it comes to safety precautions. Don't run through the red light at the school or don't do car speeding on the lake drive.

Just outside the city limits of Zephyrhills on the road to the Dade City, the Hercules Power Company, a duPont project, maintains an attractive village for employees of its plant nearby. The colony means much to the business of both Zephyrhills and Dade City.

**LABOR DAY GATHERING**

(Continued From Page 1)  
 WJNO made it possible for every one in the shed, the bleachers and under the shady trees fringing the grounds, to hear plainly all that went on at the speakers stand. The proceeding went out to the world over four broadcasting systems so the event got excellent publicity. The announcing "mike" was in charge of John Bollinger, B. Elliott, and Paul Rardin, who formed a trio of excellent operators. Seated upon the undercover platform at the front of the market were the members and officers of the Resource Development Board, Everglades Drainage District, State and County officers, City Mayors, and other distinguished personages, in all numbering several hundred, all of whom were given rapid recognition.

It was unusual to see such a group of top politicians present at such a gathering, but in prominent seats were to be found Governor Millard Caldwell, U. S. Senators, Claude Pepper and Spessard Holland, Congressman Dwight Rogers, George L. Gooch, Southern Director of the American Federation of Labor, who later were the battery of speakers. As this event was one celebrating Labor Day, all the speakers had prepared their addresses so as to pay tribute to the value and greatness of Labor both organized and otherwise, and Senator Pepper, made his main remarks mainly in praise of Labor, and made a punching speech out of it. Senator Holland paid his respects to Labor, but spoke mainly on the Flood Control and Water Conservation project, in which as a committee member he had done hard and successful work in Washington. He paid high tribute to the organizations which had appeared in front of the attack in Washington, with entire unity, to be able to secure a \$200,000,000 project sanctioned by a Republican controlled Congress. He gave the workers the highest praise for their work and subsequent results, and that he was mighty proud of the manner in which this mammoth state welfare project had been conducted, and he was mighty pleased to have worked and presented such a delegation to the committee and to have had an active part in the proposal. He cautioned that Florida was in but the initial steps of the biggest promotion now in the nation, and that it was imperative that forces be intact and ready to work in unity on any question that might possibly arise, until the project is a reality. Governor Millard Caldwell spoke along the same line as did Senator Holland, and pointed out the share which Florida as a whole, and South Florida

in particular, had to assume and carry out in the great state water control project. Congressman Dwight Rogers, from our district, did not disappoint in his address, which covered Labor and other topics of vital interests to the district. Dick Erwin, nominee for Attorney General, was an added speaker, he speaking but briefly. Seemed that everyone on the ground came with an appetite for the barbecue dinner, and through a dozen serving entrances for more than 3 hours paper plates of appetizing viands were passed out by the corps of several hundred workers. Meat supply finally vanished, and there was a recess of serving 30 minutes, until a supply of waiters and cold ham could be provided, then the 1,000 or more unfed secured their food. Those mountains of prepared foods disappeared as if by magic, and no wonder, it was so good.

A 12 act floor show was presented in the afternoon, a rodeo staged two shows during the afternoon, and barn dancing was enjoyed at the market in the evening, all free. The ice cream and pop concessions were assigned to the Boy Scouts Council, and the net proceeds will be used for re-habilitation and new structure at the Lake Osborne Camp at Lantana. Police to the number of 75 drawn in from all over the county were on hand to direct traffic and to preserve order, officers Goodlet and Muck, from Belle Glade being among the number. No serious accidents were recorded.
